

The third annual BIG T Invitational will take place Monday June 10th, at Hattiesburg Country Club. The format will be a 4-man scramble. Invitee's will include officials, coaches, administrators and friends. To sum it up, it's open to all. As most of you know, Big T received a Left Ventricle Assist Device (LVAD) in 2016. He would not have been able to make it for as long as he did without it. He was lucky to get involved with the program at UAB Hospital. He was so proud to be able to make a donation after the first tournament. He always said the staff there were very helpful to him and he just wanted to give back in some way. Sponsorships are available for the Golf outing. Hopefully we will have a presenting sponsor. Other opportunities are meal sponsors, tee gifts and hole sponsors. If you or your business is interested in any of these please contact Blake at (228)-369-1875 Please mark your calendar and plan to participate. You can register by visiting BigTofficialing.com and click the Golf tournament link.
